The diagram illustrates a cross-section of a floor slab. A central rectangular area is labeled "ELEVATOR SHAFT" and contains a pattern of small triangles. To the left of this area is a vertical dimension line labeled "1". To the right is a vertical dimension line labeled "280". Below the slab, the text "APARTMENT" is visible. The slab is represented by a thick black line with a cross-section symbol (a circle with a cross) at the top and bottom center.

1 Reinforced concrete wall

280 mm
